RIF. ARTICOLO	FIGURA	POSIZIONE	DENOMINAZIONE	QUANTITA'	CODICE D'ORDINE
96901		**1**	Vite M12x50 TSEI inox	6	***96901***
96902		**2**	Piastra di copertura in alluminio	1	***96902***
96903		**3**	Vite M18x35 TE	26	***96903***
96904		**4**	Rondella Ø 18	24	***96904***
96905		**5**	Piastra rettangolare di chiusura	1	***96905***
96906		**6**	Vite M8x40 TEI inox	4	***96906***
96907		**7**	Testa con paraspigolo in gomma per TALOS M50 con cilindro spessore 20 mm verniciato	1	***96907***
96908		**8**	Piastra di fermo paraspigolo	1	***96908***
96909		**9**	Striscia adesiva retroriflettente omologata	1	***96909***
96910		**10**	Dado M20x2,5	2	***96910***

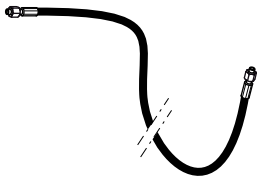

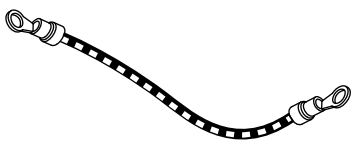

Le immagini riportate in questo listino sono puramente indicative.

96911		**11**	Rondella di fissaggio stelo	1	***96911***
96912		**12**	Dado di fissaggio led	9	***96912***
96913		**13**	Morsetto volante di sezione 4	2	***96913***
96914		**14**	Morsetto volante di sezione 2,5	1	***96914***
96915		**15**	Faretto a led di colore ambra	9	***96915***
96916		**16**	Colonna a scomparsa *(per versione con fori per led su colonna)*	1	***96916***
96917		**17**	Magnete di finecorsa	1	***96917***
96918		**18**	Vite 4x8 TCC inox	2	***96918***
96919		**19**	Guida colonna	1	***96919***
96920		**20**	Rondella Ø 10 inox	2	***96920***
96921		**21**	Vite M10x20 TE inox	2	***96921***

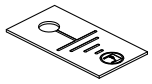

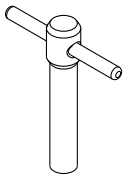

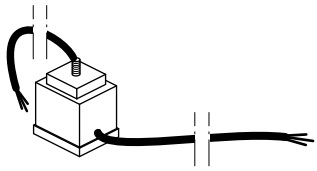

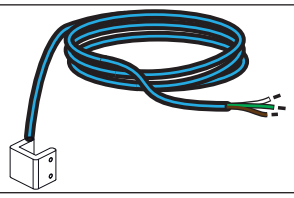

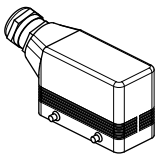

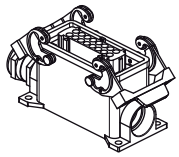

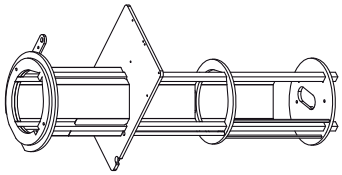

Le immagini riportate in questo listino sono puramente indicative.

96922		**22**	Boccola per il fissaggio stelo alla colonna	1	***96922***
96923		**23**	Raschiatore WRM 118149	1	***96999***
96924		**24**	OR 4118	1	***96999***
96925		**25**	Testa pistone	1	***96999***
96926		**26**	OR 152	1	***96999***
96927		**27**	Raccordo ad angolo da 1/4" per tubo da 10	2	***96999***
96928		**28**	Tubo idraulico SAE100 R2AT 3/8" (lunghezza 3,33 m)	1	***96928***
96929		**29**	Stelo pistone	1	***96999***
96930		**30**	Piastrina di chiusura stantuffo	1	***96999***
96931		**31**	Guarnizione stantuffo 32x40x5,5	2	***96999***
96932		**32**	Stantuffo Ø 40	1	***96999***

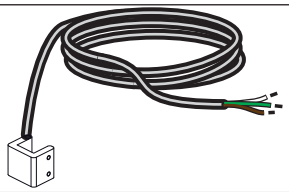

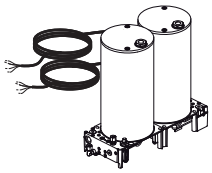

Le immagini riportate in questo listino sono puramente indicative.

96933		**33**	Piastrina di chiusura stantuffo con sede molla	1	***96999***
96934		**34**	Anello di fermo molla del freno	1	***96999***
96935		**35**	Dado M14x1,5 autobloccante tornito	1	***96999***
96936		**36**	Molla del freno	1	***96999***
96937		**37**	Cursore del freno	1	***96999***
96938		**38**	Camicia pistone	1	***96999***
96939		**39**	Tubo idraulico SAE100 R2AT 3/8" (lunghezza 2,25 m)	1	***96939***
96940		**40**	Rondella Ø 8 inox	8	***96940***
96941		**41**	Dado M8 inox	2	***96941***
96942		**42**	Cavo di massa a terra con occhielli	1	***96942***
96943		**43**	Vite M8x10 TE inox	1	***96943***

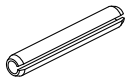

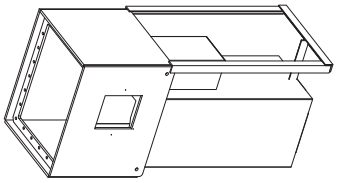

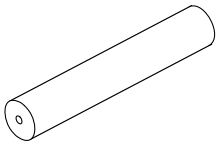

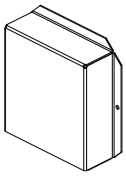

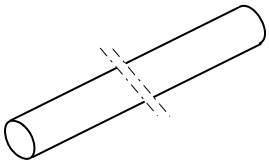

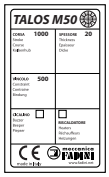

Le immagini riportate in questo listino sono puramente indicative.

96944		**44**	Piastrina di indicazione massa a terra	1	***96944***
96945		**45**	Golfaro M18	2	***96945***
96946		**46**	Dado M8	1	***96946***
96947		**47**	Chiave di sblocco a profilo triangolare	1	***96947***
96948		**48**	Trasformatore per i led	1	***96948***
96949		**49**	Sensore finecorsa di salita (effetto hall) completo di supporto in alluminio. Cavo colore *blu*	1	***96949***
96950		**50**	Vite M8x25 TE inox ***(non si usa più)***	4	
96951		**51**	Connettore ad innesto rapido con pressacavo	1	***96951***
96952		**52**	Scatola collegamenti elettrici con pressacavo	1	***96952***
96953		**53**	Telaio guida	1	***96953***
96954		**54**	Vite M12x40 TE	4	***96954***

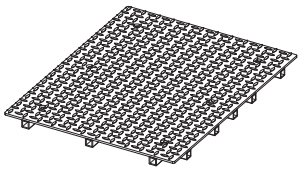

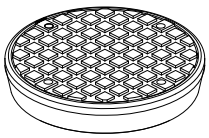

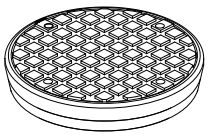

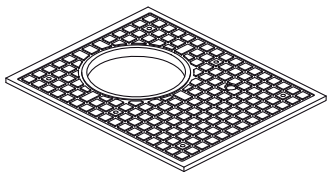

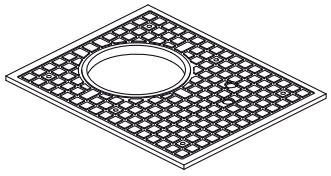

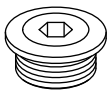

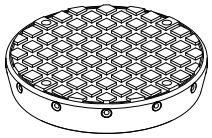

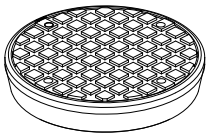

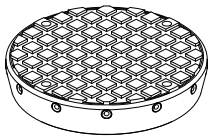

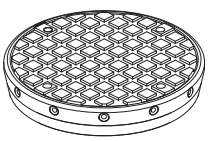

Le immagini riportate in questo listino sono puramente indicative.

96955		**55**	Sensore finecorsa di discesa (effetto hall) completo di supporto in alluminio. Cavo colore *grigio*	1	***96955***
96956		**56**	Dado M12	5	***96956***
96957		**57**	Copiglia di sicurezza a molla Ø 4x79	2	***969100***
96958		**58**	Spina di fissaggio pistone	1	***969100***
96959		**59**	Vite M8x80 TE inox	5	***96959***
96960		**60**	Passacavo in gomma ***(non si usa più)***	1	
96961		**61**	Centralina Tunit 9.20LP con pompa idraulica a lobi P20	1	***96961***
96962		**62**	Boccola in ottone di guida asta di sblocco	1	***969102***
96963		**63**	Grano M6x8 inox a punta piatta	1	***969102***
96964		**64**	Asta dello sblocco	1	***969102***
96965		**65**	Giunto rubinetto di sblocco	1	***969102***

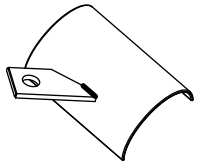

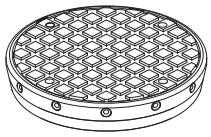

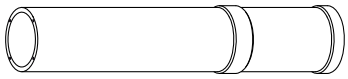

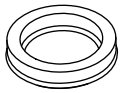

Le immagini riportate in questo listino sono puramente indicative.

96966		**66**	Spina elastica da 4,5	1	***969102***
96967		**67**	Grano M5x8 inox a punta	1	***969102***
96968		**68**	Cassaforma	1	***969101***
96969		**69**	Cono di centraggio del telaio	2	***969101***
96970		**70**	Dado M14	2	***969101***
96971		**71**	Barra antiribaltamento da fissare alla cassaforma	4	***969101***
96972		**72**	Nicchia per sede connettore	1	***969101***
96973		**73**	Vite M8x14 TE	4	***969101***
96974		**74**	Barra antiribaltamento da infilare nella cassaforma ***(non si usa più)***	1	
96975		**75**	Etichetta adesiva metallizzata in "mylar" - dissuasore Talos	2	***96975***
96976		**76**	Rondella con gancio di ferma cavo ***(non si usa più)***	1	

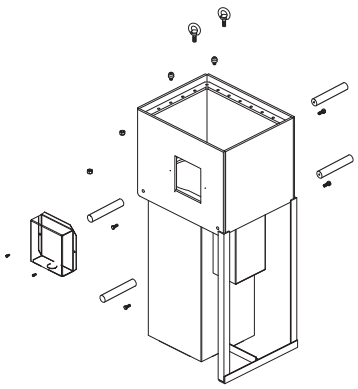

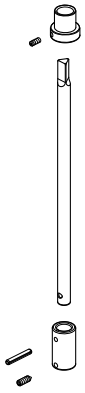

Le immagini riportate in questo listino sono puramente indicative.

96977		**77**	Vite M16x100 TE zincata	2	***96977***
96978		**78**	Piastra a grano di riso a copertura della cassaforma (optional) ***(utilizzare codice da listino per ordine)***	1	
96979		**79**	Testa colonna con paraspigolo in gomma ~~***per colonna con rivestimento inox***~~ ~~***(sostituito con codice d'ordine 96985)***~~	1	
96980		**80**	Testa con paraspigolo in gomma per TALOS M50 con anello metallico con cilindro spessore 20 mm trattato cataforesi e rivestimento in acciaio inox aisi 304	1	***96980***
96981		**81**	Piastra di copertura in alluminio con un foro (per avvitatore)	1	***96981***
96982		**82**	Piastra di copertura in alluminio con due fori (per avvitatore e per sblocco manuale)	1	***96982***
96983		**83**	Tappo a profilo esagonale	1	***96983***
96984		**84**	Testa con led integrati e paraspigolo in gomma per TALOS M50 con cilindro spessore 20 mm verniciato *(per versione con led sul gruppo testa-paraspigolo)* ~~***(non si usa più)***~~	1	
96985		**85**	Testa con paraspigolo in gomma per TALOS M50 con cilindro spessore 20 mm trattato cataforesi e rivestimento in acciaio inox aisi 304	1	***96985***
96986		**86**	Testa con led integrati e paraspigolo in gomma per TALOS M50 con cilindro spessore 20 mm trattato cataforesi e rivestimento in acciaio inox aisi 304 *(per versione con led sul gruppo testa-paraspigolo)* ~~***(non si usa più)***~~	1	
96987		**87**	Testa con led integrati e paraspigolo in gomma per TALOS M50 con anello metallico a 10° con cilindro sp. 20 mm trattato cataforesi e rivestimento in acciaio inox aisi 304 *(per versione con led sul gruppo testa-paraspigolo)*	1	***96987***

Le immagini riportate in questo listino sono puramente indicative.

96988		**88**	Guida tubo idraulico	1	***96988***
96989		**89**	Testa con led integrati e paraspigolo in gomma per TALOS M50 con anello metallico a 13° con cilindro sp. 20 mm trattato cataforesi *(per versione con led sul gruppo testa-paraspigolo)*	1	***96989***
96990		**90**	Vite M6x16 TEI inox	4	***96990***
96991		**91**	Colonna a scomparsa *(per versione con led sul gruppo coperchio-paraspigolo)*	1	***96991***
96992		**92**	Guarnizione stelo T20 30x38x5,7	1	***96999***
